

# Enrichment Opportunities 2017-18

We are pleased to inform you of our Enrichment Programme for 2017-18. It is the expectation of The Bewdley School that all learners join in some form of enrichment activity. If your child has not yet joined, please do your best to encourage them. Staff give their time to run out-of-hours sports clubs, musical groups and a wide range of activities to cater for all ages and interests.

Please take time to discuss with your son or daughter, the opportunities on offer and help them to choose activities. We hope that all students find something here that will interest and support them.

# Enrichment Opportunities

Please remember, it is the responsibility of parents to arrange collection of their children at the end of any after-school activity.

Children in Years 7 and 8 involved in after-school activities will receive a letter for parents to sign and return. Students in Years 9 and above have the responsibility to communicate with their parents concerning any late finishes.
