

Ref: 1032/DC

Date: 10 September 2018

Dear Parent(s)/Carer(s),

Understanding your Child/Teen

10:32 is a service offering parenting and family support to parents of children 0 to 19 years across Wyre Forest. Due to popular demand and the extreme success we had, we have decided to run the parenting group again this year.

What is Understanding your child/teen?

“Understanding your child/teen” is a 10 week group programme that helps parents understand more about sleep, bullying, relationships and why a child/teenager behaves a certain way when they are angry. It will provide parents with:

- Ideas and strategies on behaviour management
- Strategies on being a more confident parent
- The opportunity to meet new people and share experiences

10:32 will be running a taster session at The Bewdley School on **Wednesday 10th October - 9.30 until 10.30** followed by a 10 week Group Programme. The 10 week group programme will then start on Wednesday 17th October and will take place weekly in the Meeting Room between 9.30am and 11.30am (please see actual dates on the attached flyer).

Places are limited and parental engagement at other schools has been extremely high so early confirmation is highly recommended.

If you are interested in the “understanding your child/teen” group programme please contact Mrs Martin at the school office on 01299 403277 or CMA@bewdley.worcs.sch.uk

Yours sincerely

Mr D Chauhan – Deputy Headteacher
