Dear Parents/Carers

It is with great pleasure that we can finally announce our online shop is now open for new PE kit orders.

As you are aware, the entire kit has been designed and sourced following consultation and discussions with students and staff. Our new kit, therefore encompasses a range of styles of clothing that will enable all students to feel comfortable in what they are wearing and enjoy their lessons. We do ask, however, that due to the range of garments available no alternatives or brands are purchased, particularly the leggings, as we have spent a long time sourcing suitable and appropriate fabrics for school use. All garments are branded with our new school logo, are uniform and are therefore the only kit expected to be worn. This includes socks.

The online shop will be available for one order point each term as the garments are custom made. This will require forward planning to ensure your kit is ordered within each window. The shop will be open for a 10 week period. Once it closes for the term, new orders cannot be placed until the shop re-opens again 5 weeks later. There will be three order points over the course of the year. We will remind you of each term's shop opening and closing times on our website and Facebook page. **Unfortunately we cannot carry any stock at school**, so it is really important to make a note of these dates and to ensure you name all your child's kit in order for it to be returned to them should they misplace it. Orders will be delivered directly to parents/carers home addresses.

Please can I remind you that there is no expectation for whole school implementation of this kit for September 2019 [with the exception of our new Year 7 2019 cohort] as it will be phased in as new students arrive at school; our existing kit (white polo shirt, black football shorts/tracksuit bottoms, black round necked sweatshirt) is perfectly acceptable to be worn until it is outgrown or needs replacing.

Yours Sincerely
