

## Introduction to Post-16 Studies - Film Studies

Film Studies at Bewdley Sixth Form is an exciting and diverse subject. During the 2-year course you will study around 13 films from around the world and from different eras of film history. Not only will you study films, but you will also make one!

You will investigate how film works both as a medium of representation and as an aesthetic medium and develop key skills such as analysis, evaluation and critical thinking.

The following challenges will help you develop some of the initial skills and knowledge needed for this course.
