Dear Year 6 Pupil,

Don't be scared, don't be frightened: The Bewdley School is the place for you and the place for great education! As you walk through the gate and look at how big the school looks, don't worry if you do get lost, there is always someone to help you if you do and you get a map. A day with your new form and tutor will answer every question you have buzzing in your head. You get to meet everyone that you will do a lot of your lessons with and like me make some new friends as I arrived from my Primary school not knowing anyone. Just look at me now!

You move from classroom to classroom for lessons but that's easy as The Bewdley School is all set up in blocks of subjects, you have plenty of time to get between your classes too. Homework is manageable just do it when you get it and Show My Homework is really good as you get to keep track of everything you need to do. Break and lunchtimes you get to meet up with students from other classes, the pazzini from the canteen are the best and school dinners are good too but you can bring your own lunch. You can join after school clubs, stay for maths club get all your homework done and the sports clubs are great fun with so many to choose from.

The staff and students at The Bewdley School will look after you, it's like a big family and I am so glad I chose The Bewdley School. Even though I have been working at home for the last 5 months I have still achieved so much all due to the support I have received. Just remember don't worry you will be fine I was once a new Year 7 and I survived and now I can't wait to start my Year 8 adventure.

Best Wishes

Oscar
