

## **Bewdley Sixth Form uniform guidelines are:**

Sixth Form students at Bewdley are leaders and role models within our school community. You will act as positive role models to younger students and your dress should reflect this. In addition, you will often find yourself in a position of representing our School in the local community and to visitors from other schools and Industry. The dress code for Bewdley Sixth Form Students is based on “**Choice with Responsibility**”. The Bewdley School is a place of work and therefore you are likely to wear different clothing than when you are at home or out socialising. We respect your right to dress individually, as long as, the overall effect is smart and professional. We ask that there are no offensive slogans on any clothes. If staff feel that student clothing is inappropriate, they may be asked to go home and change.
