

# BEWDLEY SIXTH FORM

We fly with our own wings

---

## A Level Maths Summer Work

### Integral Transition to A Level Mathematics Course

We would like you to complete an online course that is designed to improve your understanding and develop your fluency in seven GCSE topics that will be essential for starting A Level Maths.

Each topic has videos and activities, and an assessment that must be completed.

You will be given a login to Integral in order to complete the course. If you were not able to attend the transition days, please get in touch with Miss Turner ([btu@bewdley.worcs.sch.uk](mailto:btu@bewdley.worcs.sch.uk)) or Mrs Wilmot ([fwl@bewdley.worcs.sch.uk](mailto:fwl@bewdley.worcs.sch.uk)) so that you can be added to the course.

## Core Maths Summer Work

### Integral Core Maths Skills Course

We would like you to complete an online course that is designed to help you revise eight GCSE topics that will be essential for starting Core Maths and for studies in subjects such as Biology, Geography and Psychology.

Each topic has videos and activities, and a progress check that must be completed.

You will be given a login to Integral in order to complete the course. If you were not able to attend the transition days, please get in touch with Miss Turner ([btu@bewdley.worcs.sch.uk](mailto:btu@bewdley.worcs.sch.uk)) so that you can be added to the course.
