

# THE BEWDLEY SCHOOL

We fly with our own wings

Dear Parents/ Carers,

I hope this finds you well.

As a school we want to work closely with all of our students and their families, working in partnership with parents and carers allows us to support our students and utilise the schools early help offer to support over a range of pastoral and academic issues as quickly as possible.

I wanted to share some information with you to signpost the support that is also available for families in Worcestershire.

Please find below links to services from Worcestershire County Council to support young people and families in Worcestershire. The support available includes information and support groups, parenting courses, referral procedures and much more, covering many services and areas that families may benefit from. If you feel these services will support you as a family, please follow the advice given. In additional, always feel free to contact the school to share any worries or concerns you have and we will work with you to identify the most appropriate support for you and your family.
