### FREE MEDICAL LEADERSHIP OPPORTUNITY

Free Virtual Medical Leadership Conference on Sunday 27th April, from 10am to 2:30pm, are now open!

During the Medical Leadership Conference, students will explore the theme 'Problems Facing the NHS and Future Solutions.' They'll gain key insights into the NHS system, including its strengths, challenges, and planned reforms. This engaging event also offers students the chance to hear directly from doctors, medical students, and peers about their personal leadership journeys. Through these inspiring stories and guidance, students can take their first steps toward becoming effective leaders in healthcare.

Students will gain a deeper understanding of the impact of leadership in medicine and dentistry. This includes the ability to solve problems, work collaboratively in diverse teams, and tackle professional challenges with confidence. These are skills that not only strengthen their future careers but also contribute positively to personal growth.

Registering for these programmes is simple students just need to complete the free online application form:
