1. Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers.
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010.
- Clarify our expectations for school uniform.

2. Our school's legal duties under the Equality Act 2010:

The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, our school will:

- Avoid listing uniform items based on sex, to give all Students the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender.
- Make sure that our uniform costs the same for all Students.
- Allow all Students to have long hair (though we reserve the right to ask for this to be tied back).
- Allow all Students to style their hair in the way that is appropriate for school yet makes them feel most comfortable. Please note that extreme hairstyles/hair colour is not acceptable.
- Allow Students to request changes to swimwear for religious reasons.
- Allow Students to wear headscarves and other religious or cultural symbols.
- Allow for adaptations to our policy on the grounds of equality by asking Students or their parents to get in touch with Mr. O'Malley – Assistant Head Teacher, who can answer questions about the policy and respond to any requests.

3. Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory [guidance](#) from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

The school keeps branded uniform items to a minimal level that is reasonable for all members of the school community. Pre-loved school uniform is also available to purchase via 'iPay'. Please contact the school office for further details at office@bewdley.worcs.sch.uk

We will make sure our uniform:

- Is available at a reasonable cost.
- Provides the best value for money for parents/carers.

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary.
- Limiting any items with distinctive characteristics where possible
- Limiting items with distinctive characteristics to low-cost or long-lasting items, such as ties.
- Avoiding specific requirements for items Students could wear on non-school days, such as coats, bags and shoes.
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveler.
- Avoiding different uniform requirements for extra-curricular activities.
- Considering alternative methods for signaling differences in groups for interschool competitions, such as creating posters or labels.
- Making sure that arrangements are in place for parents to acquire second-hand uniform items.
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes.
- Consulting with parents and Students on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy.

Appendix 2 shows a detailed comparison of our school uniform costs in comparison to other secondary schools in the Wyre Forest.

4. Expectations of the school uniform

The Bewdley School Dress Code aims to establish a sense of **equality** and helps to instil **pride** and **loyalty** in our school. The school will work closely with parents to arrive at a mutually acceptable outcome.

Staff will closely monitor Students to make sure they are in correct uniform. They will give any Students and families breaching the uniform policy the opportunity to comply but will follow up with the Headteacher if the situation doesn't improve.

Ongoing breaches of our uniform policy will be dealt with in line with the school's behaviour policy.

In cases where it is suspected that financial hardship has resulted in a student not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation.

Loan uniform will be considered for those students in the incorrect school uniform.

The board will also make sure that the school's uniform supplier arrangements give the highest priority to cost and value for money, for example by avoiding single supplier contracts and by re-tendering contracts at least every 5 years.
